I Will Always Return

Bryan Adams

I hear the wind call your name It calls me back home again It sparks up the fire - a flame that still burns Oh it's to you I'll always return I still feel your breath on my skin I hear your voice deep within The sound of my lover - a feeling so strong It's to you - I'll always belong

Now I know it's true My every road leads to you And in the hour of darkness darlin' Your light gets me through

Wanna swim in your river - be warmed by your sun Bathe in your waters - cos you are the one I can't stand the distance - I can't dream alone I can't wait to see you - Ya I'm on my way home

Oh I hear the wind call your name The sound that leads me home again It sparks up the fire - a flame that still burns Oh, it's to you - I will always return
