

Inside Out

Bryan Adams

The biggest lie you ever told your deepest fear 'bout
Growin' old
The longest night you ever spent the angriest letter you
Never sent
The boy you swore you'd never leave the one you kissed on
New years's eve
The sweetest dream you had last night your darkest hour
Your hardest fight

I wanna know you like I know myself
I'm waitin' for you there ain't no one else
Talk to me baby scream and shout
I want to know you - inside out
I wanna dig down deep - I wanna lose some sleep
I wanna scream and shout - I wanna know you inside out
I wanna take my time - I wanna know your mind
Ya know there ain't no doubt - I wanna know you inside out

The saddest song you ever heard - the most you said with
Just one word
The loneliest prayer you ever prayed - the truest vow you
Ever made
What makes you laught, what makes you cry
What makes you mad, what gets you by
You highest hight, your lowest low - these things I want to
Know

I wanna know you - like I know myself
I'm waitin' for you - there ain't no one else
Talk to me baby - scream and shout
I want to know you - inside out
I wanna dig down deep - I wanna lose some sleep
I wanna scream and shout - I wanna know you inside out
I wanna take my time - I wanna know your mind
Ya know there ain't no doubt - I wanna know oyu inside out
I wanna know your sould - I wanna lose control
C'mon n' let it out - I wanna know you inside out
Ya gotta dig down deep - I wanna lose some slieep
I wanna scream and shout - I wanna know oyu inside out
Tell me everything...
