

# Merry Christmas

Bryan Adams

At this special time of year  
I'm so very glad you're here  
Merry christmas  
Merry christmas

A field of freshly fallen snow  
And we've got nowhere else to go  
Merry christmas  
Merry christmas to you

I hear sleigh bells in the distance  
And songs sung by a choir  
It's snowin' and it's blowin'  
So let's stay here by the fire

Mistletoe and a festive tree  
There's no place that I'd rather be  
Merry christmas  
Merry christmas to you

I hear sleigh bells in the distance  
And songs sung by a choir  
It's freezin' but it's pleasing  
To lets lay here for awhile  
Oh it's snowin' and it's blowin'  
So let's stay here by the fire

I'm sending lots of christmas cheer  
This season and throughout the year  
Merry christmas, merry christmas  
Ya merry christmas, merry christmas  
Merry merry merry christmas  
Merry christmas to you
