

On A Day Like Today

Bryan Adams

1. Free is all you gotta be.
Dream dreams-no one else can see.
Sometimes you wanna run away,
but you never know what might comin' round your way,
yeah, yeah, yeah.

R1: On a day like today
the whole world could change
The sun's gonna shine
shine through the rain.
On a day like today
you never wanna see the sun goes down
you never wanna see the sun goes down.

2. Somewhere there's a place for you.
I know that you believe it too.
Sometimes if you wanna get away
All you gotta know is what we've got is here to stay,
all the way.

R2: On a day like today
the whole world can change
The sun's gonna shine
shine through the rain.
On a day like today
no one complains,
we're free to be pure,
free to be saved.
On a day like today
you never wanna see the sun goes down
you never wanna see the sun goes down.

*: Free is all you've gotta be
Dream dreams-no one else can see,
but you never know what might be comin' for you and me,
yeah it's gotta be.

R2: On a day like today...
