

# Please Forgive Me

Bryan Adams

It stills feels like our first night together  
Feels like the first kiss  
And it's getting better, baby  
No one can better this  
Still holding on  
Your still the one

First time our eyes met  
Same feeling I get  
Only feels much stronger  
Only love you longer  
You still turn the fire on

So, if you're feeling lonely... don't  
You're the only one I ever want  
I only wanna make it good  
So, If I love you a little more than I should

Please forgive me, I know not what I do  
Please forgive me, I can't stop loving you  
Don't deny me , this pain I'm going through  
Please forgive me, I need you like I do  
Oh believe me, every word I say is true  
Please forgive me, I can't stop loving you

Still feels like our best times are together  
Feels like the first touch  
Still getting closer baby  
Can't get close enough  
Still holding on  
You're still number one

I remember the smell of your skin  
I remember everything  
I remember all of your moves  
I remember you, yeah  
I remember the nights, you know I still do

The one thing I'm sure of  
Is the way we make love  
The one thing I depend on  
Is for us to stay strong  
With every word and every breath I'm praying  
that's why I'm saying

Please forgive me, I know not what I do  
Please forgive me, I can't stop loving you  
Don't deny me, this pain I'm going through  
Please forgive me, if I need you like I do  
Babe, believe me, every word I say is true  
Please forgive me, if I can't stop loving you

No, believe me, I don't know what I do  
Please forgive me I can't stop loving you  
Can't stop loving you....
