

# Straight From The Heart

Bryan Adams

I could stop dreaming, but in never ends.  
As long as you're gone we may as well pretend.  
I been dreamin' straight from the heart.

You say it's easy, but who's to say that we'd be  
able to keep it this way.  
But it's easier, comin' straight from the heart.

Oh give it to me straight from the heart  
Tell me we could make another start  
You know I'll never go as long as I know it's comin  
straight from the heart.

I see you on the street some other time,  
When all the words will just fall out of line  
While we're dreamin' straight from the heart.

Oh give it to me straight from the heart  
Tell me we could make another start  
You know I'll never go as long as I know it's comin  
straight from the heart.

Straight from the heart  
Tell me we could make one more start  
You know I'll never go as long as I know, give it to me now  
straight from the heart.  
(repeat a bit then end it this way)  
it's comin' straight from the heart
