

# Take Me Back

Bryan Adams

1. I should have seen it coming baby  
I should have seen the signs  
Didn't really think that she needs me  
I must have been blind  
She didn't give me a warning  
Said I shouldn't treat you wrong  
But when I woke up this morning  
She was gone, gone, gone

R: She said take me back won't you  
Take me back won't you  
I changed my ways

Said take me back won't you  
Take me back won't you  
I'm not the same

2. She didn't tell me about it  
Am I supposed to read your mind?  
You made me get up and shout it  
It's a crime, crime, crime  
I should have seen it coming baby  
I should have seen the signs  
Didn't really think that she needs me  
I must have been blind

R: She said take me...

\*: I'm not the same, yeah  
Ah won't you take me back?  
Ah won't you take me back?
