

The Best of Me

Bryan Adams

Sometimes words are hard to find
I'm looking for that perfect line
To let you know you're always on my mind
Ya this is love - n' I've learned enough to know
I'm never lettin' go
No, no, no - won't let go

When you want it - when you need it
You'll always have the best of me
I can't help it - believe it
You'll always get the best of me

I may not always know what's right
But I know I want you here tonight
Gonna make this moment last for all your life
oh ya this is love - n' it really means so much
I can tell from every touch
No, no, no - can't get enough

When you want it - when you need it
You'll always have the best of me
I can't help it - believe it
You'll always get the best of me

Ya this is love
And I've learned enough to know
I'm never letting go
No, no, no - won't let go

When you want it - when you need it
You'll always have the best of me
I can't help it - believe it
You'll always have the best of me - yeah!

When you want it - when you need it
You'll always get the best of me
I can't help it - believe it
You'll always get the best of me

You've got the best of me
