

The Way You Make Me Feel

Bryan Adams

Couldn't feel much better
Than the way I fell tonight
Feel like I could live forever
Feel like I could fly
When I thought I'd get it wrong, yeah
You somehow make things right
That's the way you make me feel
Better than I've ever known it
Better than it's ever been
I can't seem to control it, no
The way you make me feel
Like the sun coming up in the morning
Like holding the world in your hands
In a way I could never imagine (yeah)
The way you make me feel

I couldn't feel much better
Than when I'm here with you
You make everything seem so easy
I'm telling you the truth
You never try to please me
But somehow...you always do

The way you make me feel, yeah
The way you make me feel

The simple things you do to me
Simple things you say
I sometimes can't believe it's for real

The way you make me feel, yeah
The way you make me feel
The way you make me feel
