

# Livin' On The Bright Side

Bryan Duncan

My time's been comin'  
You know I've been in love with the dark  
I kept lovin' till it hurt so bad  
I had to right what was left of my heart  
Now I get so excited, the future didn't come too soon  
There's a wrong and a right of things  
Just like the dark and the light of the moon  
And it's a pretty good situation  
(Livin' on the bright side)  
Ooh! It's a pretty good situation  
(Livin' on the bright side)  
[scat singing]  
Well, it's not so complicated  
Once you're walkin' in the light  
'Cause there's the good side and there's the bad side  
And you decide what is right  
But with God there's no doubt about it  
He wants you either hot or cold  
And I'm plannin' to make or break it  
So now I'm breakin' out of the mold  
And it's a pretty good situation  
(Livin' on the bright side)  
Livin' on the bright side  
A pretty good situation,  
(Livin' on the bright side)  
Ooh, yeah, we're really gonna turn the tables  
(Livin' on the bright side)  
I said, we're really gonna turn the tables  
(Livin' on the bright side)  
Feelin' fine in the sunshine  
Makin' me want to stay  
No longer stuck in the middle, baby  
Fillin' my mind with grey  
My heart's on fire  
My heart's on fire  
My heart's on fire  
And that's the way it's gonna stay, yeah!  
(Livin' on the bright side)  
[scat singing]  
(Livin' on the bright side)  
Ooh, yeah!  
(Livin' on the bright side)  
Livin' on the bright side, no!  
(Livin' on the bright side)  
Oh yeah, sing it all together  
Alright!  
Ooh, it's so nice!  
[scat singing]  
And it's a pre
