

Don't Stop the Dance

Bryan Ferry

Mama says: truth is all that matters
lying and deceiving is a sin.
Drifting through a world that's torn and tattered;
Every thought I have don't mean a thing.
Don't stop
don't stop the dance.
Don't - mama says - don't stop the dance.

Mama says: love is all the matters

beauty should be deeper than your skin.
Living for the moment
lips and lashes;
Will I ever find my way again ?
Don't stop
don't stop the dance.
Don't - mama says - don't stop the dance.
Don't stop
don't stop the dance.

Mama says: only stormy weather

don't know why there's no sun in the sky.
Footsteps in the dark come together

got to keep on moving or I will die.
Don't stop
don't stop the dance.
Don't - mama says - don't stop the dance.
Don't stop
don't stop the dance.
Don't - mama says - don't stop the dance.
Don't stop
don't stop the dance.
