

# Girl of My Best Friend

Bryan Ferry

The way she walks  
The way she talks  
How long I can I pretend  
Oh I can't help it I'm in love  
With the girl of my best friend

Her lovely hair her skin so fair  
I could go on 'n' never end  
No I can't help it I'm love  
With the girl of my best friend

I want to tell her how I love her so  
And hold her in my arms, but then  
What if she got real mad and told him so  
I could never face either once again

The way they kiss their happiness  
Will my aching heart ever mend  
Or will I always be in love  
With the girl of my best friend

Never end  
Never end  
Never end
