

# I Thought

Bryan Ferry

I thought - you'd be my streetcar named desire  
My way - my taste of wine  
I thought - you'd be that flame within the fire  
One dream that just won't die

All night - looking for new love  
Impossible true love - nothing at all  
Looking for new gods - looking for new blood  
Looking for you oh oh

I thought - I'd find you walking in the rain  
Just like a wayward child  
I thought - I'd find you calling out my name  
So foolish is my pride

All night - looking for new love  
Impossible true love - nothing at all  
Looking for new ways - looking for strange blood  
Looking for you oh oh

I thought - I'd be your streetcar named desire  
Your man - the one you seek  
I thought - I'd take you deep within myself  
Subtitles when we speak

Hold on - the flower says reach out  
The thunder says no shout is greater than mine  
Listen and hold on - untill the day fades out  
Smothered in gold
