

# Limbo

Bryan Ferry

Voodoo warning  
Is calling  
Down in limbo  
Moonlight lush life  
Bears strange fruit  
Down in limbo  
Come with me now  
A moth to a flame  
You never get near enough  
You try again  
Closer now  
Oh how we dance  
The spirit holding us  
In a trance  
Bamboo dancer  
No stranger  
Down in limbo  
Can you tango?  
Takes two to  
Down in limbo  
You are the one  
Now is the time  
Let your memory beat the drum  
On the street car line  
Voodoo warning  
Is calling  
Down in limbo  
Moonlight lush life  
Bears strange fruit  
Down in limbo  
Creole tattoo  
I buy you  
Down in limbo  
Heartbeat you mistreat  
I owe you  
Down in limbo
