

# Love Me Madly Again

Bryan Ferry

Are you still cutting it on the street?  
Do you, do you make savage love when you meet?  
In the zigzag shadows that promise much  
Don't talk about it, show me, talkin' about it's easy  
Don't talk about it, love me up

Is that lightning exciting ya quite as much?  
Would I could feel it, would I could touch  
Don't talk about it, it's not the same  
Love me madly once again

Don't make it easy for me, some like it tough you see  
Loving is easy for me  
A whole lotta love has passed this way, this way  
Don't talk about it, show me, talkin' about it, easy  
Don't talk about it, love me up

Is it as passionate as it seemed?  
Was it for real or some kind of dream?  
Don't talk about it, it's not the same  
Love me madly once again

And should we meet again?  
Uncertain, out of reach, on the other side of time  
Barriers broken, thoughts entwine  
Never words spoken, love me madly again

And who can draw the line  
A strand from me to you, a world apart, a smile  
Loving is easy, hard to end  
Love letters tearing, love me madly again

And when you find the time  
Let's share a silk caress somewhere for a while  
Mirror to mirror, frame on frame  
Within' without you, love me madly again  
Love me madly again, love me madly again
