

# Loving You Is Sweeter Than Ever

Bryan Ferry

I remember just before we met  
That every night and day  
I had to live the life of a lonely one

I remember meeting you  
Discovering love could be so cool  
When it's shared by two instead of the lonely one

When you said you love me  
We could not be parted  
And I build my world around you  
I'm so thankful that I found you

Because loving you has made my life sweeter than ever  
I ain't never felt like this before  
Loving you has made my life so more sweeter than ever

Each night I pray we'd never part  
For all the love within my heart grows stronger  
From day to day

As best I can, and how I try  
To reassure you and satisfy  
'Cause I'd be lost if you went away

'Cause I really need you  
And I need for you to need me too  
I have built my world around you  
I'm so thankful that I've found you

Because loving you has made my life sweeter than ever  
Loving you has made my life so more sweeter than ever

'Cause I really love you  
And I'm thankful that you love me too  
I have built my world around you  
I am truly glad, I found you

Because loving you has made my life sweeter than ever  
Loving you has made my life so more sweeter than ever  
I never felt like this before  
Loving you has made my life so more sweeter than ever
