

Make You Feel My Love

Bryan Ferry

When the rain is blowin' in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love

When evenin' shadows and the stars appear
And there is no one here to dry your tears
I could hold you for a million years
To make you feel my love

I know you haven't made your mind up yet
But I'd never do you wrong
I've known it from the moment that we met
No doubt in my mind where you belong

I would go hungry, I'd go black and blue
I'd go crawlin' down the avenue
There's nothin' that I wouldn't do
To make you feel my love

The storms are raging on the rollin' sea
And on the highway of regret
Though winds of change are blowin' wild and free
You ain't seen nothin' like me yet

I could make you happy
Make your dreams come true
There's nothin' that I wouldn't do
Go to the ends of the earth for you
To make you feel my love
