

One Way Love

Bryan Ferry

I thought I could find
A kind of girl
Who'd think that I was the only
Guy in the world
No more half -hearted kisses
Oh that's bad enough
No more teardrops
No one way love

Don't look for someone
Who likes to love fast
You know that kind of lovin'
Will never last
If she's fast and furious
Oh that can be tough
No more teardrops
No one way love
Well there are girls

Who like to cheat and flirt
Those kind of girls
Are the worst of all
Oh how they lie
And oh how they hurt

Take it from me
I know what I say
I'll find me a girl
Who knows how to play
That game of heartbreak
Oh that's mighty rough
No more teardrops
No one way love
No one way love
No one way love
No one way love
No one way love
No one way love
No one way love
No one way love
