The Price of Love

Bryan Ferry

The wine is sweet, the gin is bitter Drink all you can but you won't forget her

You talk too much, you laugh too loud You see her face in ev'ry crowd

And that's the price of love, the price of love A debt you pay with tears and pain The price of love, the price of love It costs you more when you're to blame

Kiss one girl, kiss another Kiss them all, but you won't recover

You're dancing slow, you're dancing fast You're happy now, but that won't last

And that's the price of love, the price of love A debt you pay with tears and pain The price of love, the price of love It costs you more when you're to blame

Kiss one Kiss one Kiss one

Kiss one girl, kiss another Kiss them all, but you won't recover

You're dancing slow, you're dancing fast You're happy now, but that won't last

And that's the price of love, the price of love A debt you pay with tears and pain The price of love, the price of love It costs you more when you're to blame
