

## Virginia Plain

Bryan Ferry

Make me a deal and make it straight  
All signed and sealed, I'll take it  
To Robert E. Lee, I'll show it  
I hope and pray he don't blow it 'cause

We've been around a long time  
Just tryin' to, tryin' to but you  
Make the big time

Take me on a roller coaster  
Take me for an airplane ride  
Take me for a six days wonder but  
Don't you, don't you throw my pride aside besides

What's real and make believe  
Baby Jane's in Acapulco  
We are flyin' down to Rio

Throw me a line, I'm sinking fast  
Clutching at straws, can't make it  
Havana sound, we're trying  
Hard edge, the hipster jiving

Last picture shows down the drive-in  
You're so sheer, you're so chic  
Teenage rebel of the week

Flavors of the mountain streamline  
Midnight blue casino floors  
Dance the cha-cha through till sunrise  
Opens up exclusive doors, oh wow

Just like flamingos, look the same  
So me and you, just we two  
Got to search for something new

Far beyond the pale horizon  
Some place near the desert strand  
Where my Studebaker takes me  
That's where I'll make my stand but wait

Can't you see that Holzer mane'  
What's her name? Virginia Plain
