Hello hello mello

You are the only girl I want in my life
Made up my mind
And to you I won't lie
I think about you
All the time from the moment
I open my eyes
I was too shy but if I don't I'm scared
I might not be able
To tell you how I feel
Oh oh oh oh oh oh
You're the love of my life

Nae yeoja chinguga dwae
