

# Like It Or Not

Bubba Sparxxx

All the way from Athens, the A-T-L shawty

Uhh, Sleepy Brown  
Uhh, Bubba Sparxxx  
We gon' keep doin it baby  
Whether you like it or not.. uhh

Ain't a damn thang pretty  
From dirt roads to the city, uhh  
(You might catch me drunk in the pub)  
(Or either crunk in the club)  
WHETHER YOU LIKE IT OR NOT  
Don't matter where I hang  
People love my twang, uhh  
(Call us country or Southerners mayn)  
(We gon' keep doin our thang)  
WHETHER YOU LIKE IT OR NOT

Rollin up +So Fresh, So Clean+  
Wood grain, big screen TV's  
Uhh, I got the bump-bump in my trunk now  
Uhh, I'm 'bout to, I'm 'bout to funk  
Now all the ladies seem to like my style  
Guess I'll be here for a while, mmm  
To see who wants to come and be with me  
I'll take you back to the flat so I can show you where it's at, c'mon  
Ohh, wee - look at me  
Movin 'cross the floor so easily  
Oh, my, can't deny  
This funk starts high in the sky  
I'm 'bout to get my groove on  
Uhh, I'm 'bout to bust a move on 'em  
Uhh, there's no-thing you can do for 'em  
Uhh, cause I'm checkin the spot if you really like it or not

I know you hate it, I'ma say it to you anyway  
I'm 'bout to throw them 24's on that Escalade  
Still I got the Mickey T's on the Chevrolet  
Z-7-1, the mere sight'll take your breath away  
It's today but I'm still on it like it's yesterday  
Throw me the ball, this the game that I was bred to play  
And pass the cooler with this stewardess named Desireé  
You ain't no concern, I'ma wait and see what Heaven say  
I got a brother by the name of Snicky Ricky Wade  
He said - Bubba, real careers ain't quicky quickly made  
My other brother by the name of Patrick "Sleepy" Brown  
Said that our +Noize+ is the type that you should keep around  
They led me through the forest, took me to the wizard Ray  
He told me that tomorrow won't be what it is today  
I said, "Damn, that's just what my brother Tim would say"  
I'm back at home, just how long have I been away?

I'm the type that you might see with Petey Pablo  
Chasin fielder's dream with corn and three Diablos  
And I'll be blessed to death if I see tomorrow  
But I'ma live to get my son a lead that he can follow  
I might can't flip a brick but bet that I can move a pound  
And if you call yourself the king, well then there's two in town  
Regardless where you from, what you do, or who you found  
You best to get to practice early for the shoot-around  
Cause Bubba don't play, do them thangs you won't say  
Be damned if I even pull my {dick} out and don't spray  
Daddy told me just to do them thangs he never did  
Breakin broads, get money, live your life and treasure it  
And that's the least that I can do, for the man who  
raised me up and through his faults helped me understand you  
And now I'm certified, New South pioneer  
Born and raised down here, best believe I'm dyin here

For all my rebels ridin dump truck, heavy Chevy's, Cadillacs  
Hot rods, no seats, in the back  
Browning, thirties-thirties, in the rack  
Guaranteed, leave your land, where you at?
