

Blue Christmas Lights

Buck Owens

(Excuse me, Miss, but do you have any...)
Blue Christmas lights for my Christmas tree?
I want some blue Christmas lights just as blue as me
The one I love has set me free, but I still got her memory
Give me blue Christmas lights for my Christmas tree

(Pardon me, but do you have any...)
Blue Christmas lights? Blue they've gotta be
Blue Christmas lights, for that's how you left me
Although, sweetheart, you're far away, I'll kiss your picture
Christmas Day
Under blue Christmas lights on my Christmas tree

The one I love has set me free, but I still got her memory
Give me blue Christmas lights for my Christmas tree
I'll have have a blue Christmas 'cause you're not here with me
