

Cadillac Lane

Buck Owens

I wish I was a rich man a livin' on Cadillac lane
And I'd tour the world in a great big shiny plane
I'd go to all the famous places like Italy Rome and Spain
If I was a rich man a livin' on Cadillac lane

I wish I was a rich man a livin' on Cadillac lane
I'd had my own private car on some big railroad train
I'd never have to work again for the doggone thing
If I was a rich man a livin' on Cadillac lane

Well there's a lotta rich people livin' on Cadillac lane
Eatin' caviar and a drinkin' pink champagne
But I've got your love and to me that's everything
And I'm not so sure about the people on Cadillac lane
I wish I was a rich man...
But who needs to be a rich man a livin' on Cadillac lane
