

# Catch The Wind

**Buck Owens**

In the chilly hours and minutes of uncertainty I wanna be  
In the warm hold of your loving mind  
To feel you all around me and to take your hand along the sand  
Ah but I may as well try and catch the wind  
When sundown pales the sky I wanna ride a while behind your smile  
And everywhere I look your eyes I'd find  
For me to love you more would be the sweetest thing would make me sing  
Ah but I may as well try and catch the wind

When rain has hung the leaves with tears I want you near to kill my fears  
And help me leave all my blues behind me  
Standing in your heart is where I wanna be and long to be  
Ah but I may as well try and catch the wind
