

Christmas Time Is Near

Buck Owens

Snow flakes falling on the ground mistletoe hangs all around
Last minute shoppers everywhere Christmas spirit fills the air
Happy little girls and boys windows filled with Christmas toys
It's that special time of youth oh Christmas time is near
Kiddys being extra nice take their moms and dads at advice beca
use
If they're good the way they should they'll get an extra gift f
rom Santa Claus
Sleigh bells ringing here and there Christmas carols everywhere
It's that special time of youth oh Christmas time is near

Kiddys being extra nice
Oh Christmas time is near
