

# Don't Ever Tell Me Goodbye

**Buck Owens**

Hurt me as much as you want to if tears make you happy then I'll  
cry  
Do anything that you want to but don't ever tell me goodbye  
Break my heart if that brings pleasure and take the twinkle from  
my eyes  
Do anything that you want to but don't ever tell me goodbye  
Don't tell me goodbye whatever you do for I just couldn't live  
if I ever lost you  
Tell our friends that it's all over say that the fault was all  
mine  
Do anything that you want to but don't ever tell me goodbye  
Oh don't ever tell me goodbye
