

Don't Let Her Know

Buck Owens

Lips make a smile on my face eyes don't let her see you shed a
tear

Heart don't let her hear you skip a beat

And pride don't let her know how much I care

Don't let her know don't let her know how much I care

Laugh dance and sing so she won't notice the hurt that's still
burning deep inside

And don't let her see the way I tremble don't let her know how
much I cried

Don't let her know don't let her know how much I've cried
