## **Heartaches By The Number**

**Buck Owens** 

Heartache number one was when you left me I never knew that I could hurt this way Heartache number two was when you came back again You came back and never meant to stay

Now I've got heartaches by the numbers Troubles by the score Every day you love me less Each day I love you more

Now I've got heartaches by the numbers A love that I can't win But the day that I stop counting That's the day my world will end

Heartache number three was when you called me And told me you was coming home to stay With hoping heart I waited for your knock on the door I waited but you must have lost your way

Now I've got heartaches by the numbers Troubles by the score Every day you love me less Each day I love you more

Now I've got heartaches by the numbers A love that I can't win But the day that I stop countin' That's the day my world will end

Oh, the day that I stop counting That's the day my world will end
