

## Hello Trouble (come On In)

Buck Owens

Woke up this morning happy as could be look out my window what  
did I see  
Comin' up my sidewalk was as big as day  
Oh well here comes trouble that I never thought I'd see when yo  
u went away  
Hello trouble come on in  
Well you talk about heartaches where the world you have been  
I ain't had the misery since you've been gone  
Hello trouble trouble trouble welcome home

We'll make a cup of coffee and you can rest your shoes  
And you can tell me them sweet lies and I'd listen to you  
For I'm just a little part of all the life you've lived  
But I'd rather have a little bit of trouble than to never know  
the love you give  
Hello trouble come on in...  
Well hello trouble trouble trouble welcome home
