

I Wanna Be Wild And Free

Buck Owens

Well I wanna be wild and free I wanna blow like an ocean breeze
I wanna run like a river to the sea yeah I wanna be wild and free
I don't want no strings attached Lord knows I have enough of that
I wanna roam like a alley cat yeah I wanna be wild and free
I wanna bounce like a rubber ball I wanna roll like a rolling stone
I wanna go when I get the call hey I wanna be wild and free
Well I wanna be wild and free...

I wanna live while I'm alive ain't that much rather take a dive
Than the face at 8-2-5 hey I wanna be wild and free
No I don't wanna be tied down I wanna drift from town to town
And when the time comes to lay me down well I wanna be wild and free
Well I wanna be wild and free...
Hey I wanna be wild and free
