

I Was Born To Be In Love With You

Buck Owens

My arms were made to hold you my lips were made to kiss you
My heart was made to know you I was born to be in love with you
My hands were made to touch you my eyes were made to see you
My heart was made to know you I was born to be in love with you
I don't care how they talk about you I don't care what they say
Nothing they do can make me doubt you I'm with you all the way
My arms were made to hold you my lips were made to kiss you
My heart was made to know you I was born to be in love with you
I don't care how they talk about you
I was born to be in love with you
