

I Would Do Anything For You

Buck Owens

If I were a bird I would sing for you if I were a bell I would ring for you

If I were a tear I would cry for you for I would do anything for you

If I were a kite I would fly for you if I were a ship I would sail for you

If I were a heart I would beat for you for I would do anything for you

If I were the day I would dawn for you if I were the sun I would shine for you

If I were a rose I would bloom for you for I would do anything for you

If I were a joke I would laugh for you if I were a ball I would bounce for you

If I were a clown I would dance for you for I would do anything for you

If I were a clown I would dance for you for I would do anything for you
