

In The Middle Of A Teardrop

Buck Owens

I'm in the middle of a teardrop I'm at the start of a lonelines
s

I'm at the stop of a happiness I never dreamed it would come to
this

I'm on the break of a misery I'm at the edge of reality

That I'm about to be a memory I'm in the middle of a teardrop

When our love affair went wrong well I could feel it coming on

Hug by hug and kiss by kiss you slipped away

Now that great moment we once shared is disappearing in thin ai
r

And it looks as if at times I'm on the way

I'm in the middle of a teardrop...

Yes I'm about to be a memory I'm in the middle of a teardrop
