

Leave Me Something To Remember You By

Buck Owens

Leave me a lock of your golden hair leave a memory that we once
shared
Leave me the twinkle in your eye leave me something to remember
you by
Leave me a kiss as you walk out the door
For you know and I know you won't be back no more
Leave me a way as you say goodbye leave me something to remembe
r you by
Leave me a kiss...
Leave me something to remember you by
