

Long Hot Summer

Buck Owens

It's gonna be a long hot summer there's not a cloud in the sky
Weatherman says fair and warmer is that a tear in my eye
It's gonna be a long cold winter just hope to God I don't freeze
It's gonna be a bad year for the roses and a long hot summer's
for me

Well you say that you're leavin' and that you ain't comin' back
And the way things're looking I don't doubt it not one a little
bit
But what I am you made me and that's all I'll ever be
And if you don't change your mind about leavin'
It's gonna be a long hot summer for me
It's gonna be a long cold winter...
