Long Hot Summer

Buck Owens

It's gonna be a long hot summer there's not a cloud in the sky Weatherman says fair and warmer is that a tear in my eye It's gonna be a long cold winter just hope to God I don't freez e It's gonna be a bad year for the roses and a long hot summer's for me

Well you say that you're leavin' and that you ain't comin' back And the way things're looking I don't doubt it not one a little bit But what I am you made me and that's all I'll ever be And if you don't change your mind abour leavin' It's gonna be a long hot summer for me It's gonna be a long cold winter...
