

Merry Christmas From Our House To Yours

Buck Owens

Merry Christmas from our house to your house merry Christmas from
our kids to yours
May happiness be round your Christmas tree may your disappointments
be few
Merry Christmas from our house to your house may peace and good
will follow you
And may you be blessed with health and happiness
Merry Christmas from our house to yours
May all of your loved ones be near you and may all of your spirits
be bright
May all of your dreams be what this Christmas brings
Merry Christmas from our house to yours

May all of your loved ones
Merry Christmas from our house to yours
