

Merry Christmas From Our House To Yours

Buck Owens

Merry Christmas from our house to your house merry Christmas from our kids to yours

May happiness be round your Christmas tree may your disappointments be few

Merry Christmas from our house to your house may peace and good will follow you

And may you be blessed with health and happiness

Merry Christmas from our house to yours

May all of your loved ones be near you and may all of your spirits be bright

May all of your dreams be what this Christmas brings

Merry Christmas from our house to yours

May all of your loved ones

Merry Christmas from our house to yours
