

## Smooth Sailin'

Buck Owens

There's a gonna be smooth sailin' from now on  
'Cause my cheatin' baby's gone  
Diamond rings, I can't afford  
So I threw her overboard  
Smooth sailin' from now on

Well, I've satisfied my hanker  
And I've got somebody new  
When I could loose my anchor  
I saw the last of you

There's a gonna be smooth sailin' from now on  
'Cause my cheatin' baby's gone  
Maybe I'll have peace of mind  
'Cause I know just what I'll find  
Smooth sailin' from now on

I've got me a new baby, all my own  
And I'll never sail my ship alone  
From her head to her feet  
She's got all those others beat  
Smooth sailin' from now on

I'll be the skipper  
And we'll have a little crew  
She and I and kisses  
And, oh yes, Mr. Moon

There's a gonna be smooth sailin' from now on  
'Cause my cheatin' baby's gone  
Maybe I'll have peace of mind  
'Cause I know just what I'll find  
Smooth sailin' from now on
