

The Way That I Love You

Buck Owens

When a man loves a woman the way that I love you
He's just asking for trouble for a one way love won't never do
He can't see the forest for the trees he can't hear the wind blow for the breeze

He can't see the rainbow for the blue
When a man loves a woman the way that I love you
When a man loves a woman the way that I love you
