

There Goes My Love

Buck Owens

There goes the girl I used to know there goes the girl that I l
ove so
There goes the arms that used to hold me tight
There goes the reason that I sigh there goes the reason that I
cry
There goes the lips I used to kiss goodnight there goes my love
Well you're the first love of my life and you might be my last
I don't want to be just another memory in your past
There goes the girl

I've got a feelin' for you yet that's with my night and day
Just because we're far apart don't make it go away
There goes the girl
