

## There Goes My Love

**Buck Owens**

There goes the girl I used to know there goes the girl that I l  
ove so  
There goes the arms that used to hold me tight  
There goes the reason that I sigh there goes the reason that I  
cry  
There goes the lips I used to kiss goodnight there goes my love  
Well you're the first love of my life and you might be my last  
I don't want to be just another memory in your past  
There goes the girl

I've got a feelin' for you yet that's with my night and day  
Just because we're far apart don't make it go away  
There goes the girl
