

## Wait A Little Longer Please Jesus

**Buck Owens**

Here the labor is so hard and the workers are so tired  
And our weary hearts are yearning for a rest  
And we find we're gettin' anxious to be in that happy land

Where we'll receive such peace and happiness  
Wait a little longer please Jesus there are so many wandering out in sin  
Just a little longer please Jesus a few more days to get our loved ones in

We may look into the skies and tears may fill our eyes  
For our burdened heart grows heavier with each day  
First we cry oh Lord please come come take your children home  
But then we look around us and we say  
Wait a little longer...
