

Walk The Floor

Buck Owens

Since you went away
I've had the blues

Everything is wrong since I lost you
Only God knows what I'm going through

walk the floor
and worry over you

Haven't slept a wink since you've been gone

Don't know how I'll stand this very long

Only God knows what I'm going through

walk the floor
and worry over you

Maybe someday you'll return to me
and things will be the way they used to be

Only you can make my dreams come true

walk the floor
and worry over you

Haven't slept a wink...
