

# When Jesus Calls All His Children

Buck Owens

Someday someday somewhere you  
will see Jesus will call for you and for me

And we'll all be together as our new life begins

when Jesus calls all his children in  
When Jesus calls all his children in

When the trumpet sounds  
that's when we will walk in

Yes we'll walk the streets of Glory  
with Jesus hand in hand

When Jesus calls all his children in

Someday those pearly gates will swing wide for all of God's children to walk inside

What a wonderful feeling that will be then

when Jesus calls all his children in  
When Jesus calls all his children in...
