

You Made A Monkey Out Of Me

Buck Owens

I feel like a monkey in a cage everybody's laughin' in my face
I might as well be livin' in a tree you made a monkey out of me
You made a monkey out of me you got me crawlin' on my hands and
knees

Even got me swinging through the trees you made a monkey out of
me

Well the way that you walk on me it's true I might as well be l
ivin' in a Zoo

Everybody laughs at what they see you made a monkey out of me
You made a monkey...

You made a monkey out of me
