

# All Night Long

Buckcherry

All night long,  
Yeah we're going all night long,  
Here we go all night long,  
Everybody all night long yeah!

Are you ready to go all night long,  
Make you stop in your tracks when you're singing our song,  
A good time comin' will keep your motor runnin' all day yeah!  
You know you like it 'cause you're having fun,  
And the feet getcha moving to the good-time strum,  
The walls come down and you let it all out let me hear you say:

Yeah we're going all night long,  
All night long,  
Yeah we're going all night long,  
Do it anyway you want,  
And do it all night long!

You know you got it when you're having fun,  
And the rock n rolls shaking you under the sun,  
You scream and you shout this is what it's all about,  
It's the only way,  
You got it started now we'll tear it up,  
Got a speaker box pumpin',  
Bang your head to the drums,  
You got a smile on your face,  
'Cause you found your place,  
Let me hear you say:

Yeah we're going all night long,  
All night long,  
Yeah we're going all night long,  
Do it anyway you want,  
And do it all night long!

D-d-d-Do it right!

Do it all night!  
Get up off the floor  
Whatcha waitin'for?!

I wanna dig it in the jailhouse rock,  
Wanna feel it from my head rock down to my socks,  
That's what it means when you're livin' your dreams,  
Let me hear you say:

Yeah we're going all night long,  
All night long,  
Do it anyway you want,  
And do it all night long!
