

# Lawless and Lulu

Buckcherry

Everybody dance, oh yeah  
Ill do it anytime

Crazy and a nightttime angel, she had a colorful career  
Always doing it right, and her laugh was so origional  
Dealing with a lawless villan, he lacked dicipline and mind  
Always smoking the kind, and his thoughts were purly physical, come o  
n, yeah

And now the dreams are near and the conscience clearing  
Crazy about your love  
Another change of direction and the motivation  
King and queen of the nightttime world

Working hard and pounding the pavement, she lacked dicipline and mind  
Always doing it right, and her love was so dependable, oh yeah  
And now the villan came to terms with, all the wreckage of his past  
He was loving his love and his thoughts were purly beautiful, and you  
r beautiful

And now the dreams are near and the conscience clearing  
Crazy about your love  
Another change of direction and the motivation  
King and queen of the nightttime world  
And now the dreams are near and the conscience clearing  
Crazy about your love  
Another change of direction and the motivation  
King and queen of the nightttime world

Lawless and lulu, everybody sing  
Lawless and lulu, and your mama scream  
Lawless and lulu, drums  
Lawless and lulu, oh yeah

(Lawless and lulu) and now the dreams are near and the conscience cle  
aring  
Crazy about your love  
(Lawless and lulu) another change of direction and the motivation  
King and queen of the nightttime world  
(Lawless and lulu) and now the dreams are near and the conscience cle  
aring  
Crazy about your love  
(Lawless and lulu) another change of direction and the motivation  
King and queen of the nightttime world  
(Lawless and lulu) oh yeah, oh yeah  
You know im crazy about your love  
(Lawless and lulu) oh yeah, oh yeah  
King and queen of the nightttime world  
And now the dreams are near and the conscience clearing  
(Lawless and lulu) oh yeah, oh yeah  
Leave me the nightttime world
