```
I got this feeling on the summer day when you were gone.
I crashed my car into the bridge. I watched, I let it burn.
I threw your shit into a bag and pushed it down the stairs.
I crashed my car into the bridge.
I don't care, say fuck it.
I don't care.
I got this feeling on the summer day when you were gone.
I crashed my car into the bridge. I watched, I let it burn.
I threw your shit into a bag and pushed it down the stairs.
I crashed my car into the bridge.
I don't care, say fuck it.
I don't care.
You're on a different road, I'm in the Milky Way
You want me down on earth, but I am up in space
You're so damn hard to please, we gotta kill this switch
I'm from the 70's, and you're a crazy bitch
Say fuck it!
Say fuck it!
I got this feeling on the summer day when you were gone.
I crashed my car into the bridge. I watched, I let it burn.
I threw your shit into a bag and pushed it down the stairs.
I crashed my car into the bridge.
